IMPORTANT GOVERNMENT ORDERS

EDUCATION SECRETARIAT

Sanctions the opening of a Municipal High School at Seringapatam.

READ—

Correspondence endin with letter No. H 3. 444-69 of 45-46, dated 25th November 1946, from the Director of Public Instruction, regarding the opening of a Municipal High School at Seringapatam.

ORDER No. E. 4280-82—EDN. 44-45-48, DATED BANGALORE, THE 7TH DECEMBER 1946.

There have been persistent representations from the public of Seringapatam that a large number of students are now going from Seringapatam to Mysore by train to prosecute their studies in High School, that owing to heavy traffic and irregular timings of trains, the students are put to a lot of inconvenience and that the opening of a High School at Seringapatam would greatly encourage high school education in Seringapatam and the surrounding villages. Both the Deputy Commissioner, Mandya District, and the Director of Public Instruction state that there is need for a High School at the place.

The Municipal Council, Seringapatam, have offered a building and have agreed to effect necessary additions and alterations to the building to make it suitable for housing the school. A sum of Rs. 10,000 has been collected and a further sum of Rs. 10,000 is promised to be collected. The school is proposed to be housed in Mr. S. V. Chandrasekharaiya's building for the present.

A sum of Rs. 4,000 has already been deposited towards the guarantee fund. An additional sum of Rs. 1,000 required for the purpose and also the amount required for equipment are proposed to be met out of the funds collected. The Municipal Council are agreeable to meet their share of the recurring cost by the levy of additional tax.

In the circumstances, sanction is accorded to the opening of a Municipal High School at Seringapatam from the school year 1946-47. The departmental share of the cost during this year will be met from the general savings in the budget for the year 1946-47 and necessary provision will be made in the budgets of the succeeding years.

A statement showing the details regarding the class started during the current year and the classes to be started from the next year, the income expected, the expenditure to be incurred and the grants to be paid by the Government, etc., is appended hereto.
